Doty Island's Rock the Block Offers \$10,000 in Home Repairs Sept. 21-23, 2023

Something amazing is coming to Doty Island this fall - Rock the Block! Habitat for Humanity is helping lower-income Doty Island homeowners through their Rock the Block program. The program is a partnership between Fox Cities Habitat, volunteers and sponsors to provide repairs and maintenance for property owners. Due to the generosity of community sponsors, Habitat is able to offer \$10,000 to each Doty Island homeowner in repairs that focus on safety and health. The \$10,000 is free - it is NOT a loan or payback program. To qualify, the resident needs to be the owner of the home and meet the income guidelines in the chart below. In total, Doty Island has approximately \$400,000 earmarked in donations to help our residents with their home repairs. That's a lot of money that can do a lot of good for our community.

Fox Cities Habitat's programs are not new to Doty Island. In 2016, Doty Island had its first Habitat Rebuild on Lopas Street, Menasha. The Doty Island Development Council board participated in the event (see pictures!) In 2017, they held the first Doty Island Rock the Block on the west side of Doty Island. Since 2017, Habitat has also built eleven new homes in our community.

The approved Rock the Block projects will take place over next six months or so. Due to contractor availability, there is some flexibility as to when your projects will be completed—some may be completed immediately, while others may not be completed until next Spring. Habitat Fox Cities can assist with the following tasks: exterior repairs, accessibility, weatherization, landscaping, and Interior safety enhancements. Availability for the home repairs are on a first come, first served basis. So, if you need a home repair, don't wait to give Habitat Fox Cities a call and ask for an application. Visit <https://www.foxcitieshabitat.org/dotyrtb/> or call Habitat for Humanity at 920-954-8702. Don't fret if your income is above the threshold and you really need some assistance. Habitat also has a Brush with Kindness program which offers yard clean up and landscaping services at low or no cost.

Island Tiki Mobile Bar brings flair of Tiki to the Island

Jim and Chris of Cleveland Street can help you bring the Island to our Island!

Delicious and beautiful cocktails, crafted from their original recipes, are served from their bamboo bar outside or inside—a deck, pool side, a family room! You bring the guests and they bring all the necessary bits and pieces to serve the cocktails. In addition they provide Hawaiian shirts, hats, and leis to ensure everyone is dressed Tiki-appropriate.

Why Tiki? It's fun! It's festive and it's mobile. Island Tiki brings to your event vintage, exotic cocktails with names like Mai Tai, Zombie, and Cobra's Fang, which take us back to the pinnacle of Tiki-mania. You get to dress down and pretend you are back on the islands. Tiki culture is described as "Polynesian Pop," a completely contrived concept combining South Pacific décor with Caribbean rum cocktails. It gained popularity in the 40s as military veterans returned from WWII in the South Pacific and wanted to bring the Islands back home with them.

While on a date in the 70's Chris and Jim had a Mai Tai at Kon Tiki Ports in Chicago.

Though they loved the experience, their paths did not cross into the Tiki world again until 2015 when they again enjoyed Mai Tais, this time at Trader Vic's. That event sparked a renewed interest in Tiki that inspired their backyard tiki parties and a Mai Tai hunt that took the couple to over 30 different Tiki bars across the country. They have enjoyed sharing their love of Tiki cocktails and culture with friends and neighbors and after their son challenged them to do more in January 2022, the Tiki Mobile Bar was born. They now hope to share the world of Tiki on Doty Island, the Fox Valley, and beyond.

How to book? Reach out to Chris and Jim via email at info@islandtiki2me.com or on Instagram at [#islandtikimobilebar](https://www.instagram.com/islandtikimobilebar)

Captain David Ryan: Greatest Generation Hero

It is often called the greatest generation and for good reason. Thousands of young men volunteered and left their homes to fight in WWII. One of those was David Edward Ryan who resided at 133 High Street. He left home and enrolled as an aviation cadet in the Army Air Forces Preflight School for pilots at Maxwell Field Alabama. Cadet Ryan, a graduate of Neenah High, received ten hours dual flight instruction at Centre College, Danville Kentucky, before he was accepted as an aviation cadet.

Captain Ryan, a pilot of a B-24 and squadron leader, flew 48 missions in Italy before the war ended. He was honorably released from service, effective August 25,

1945. Ryan holds the Distinguished Flying Cross, the Air Medal which he has won four times, and the Presidential Citation and Battle Ribbons from the Italian, Balkan, and German offensive Theatres of War. His brother Robert also served as Petty Officer First Class in the Navy in the Mediterranean

Theatre of War. David Ryan, this true greatest generation hero from WWII and Doty Island, was employed after the war in the paper industry.

NEW NAME; SAME FRIENDLY FACES: HAWKINS ASH CPAs

The company name on the sign out front is new, but the folks inside have been there for many years.

Roberts, Ritschke and Tyczkowski, Ltd was started by Ron Roberts in 1977. In 2021 the partners chose to merge with Hawkins Ash CPAs for many reasons including the benefits of client security, IT resources, and maintaining a lower cost of health benefits.

According to Keith Depies, "The average tenure for the Doty Island location is over 20 years! The long tenure is attributed to the partners taking care of their employees, listening to their employees' ideas and fair treatment."

According to Corene Gutierrez, Marketing Manager, "Hawkins Ash CPAs is a \$29 million firm that ranks in the top 200 in a field of over 44,000 accounting firms in the nation. With the addition of the Neenah accounting practice, it now has seven offices in Wisconsin, three offices in Minnesota, 24 partners, and over 180 professionals serving clients throughout Wisconsin, Minnesota, and the entire United States."

Hawkins Ash CPAs helps its customers handle the compliance of Federal and State taxes and returns. They perform reviews, audits, small business accounting and evaluations. Some of the most common cases involve gifting assets, divorce situations, trust returns, gift taxes, estate returns and selling a business.

Each of the partners at the Doty Island location has a different specialty. If there is not a specialist on-site, other locations fill the gaps. The Doty Island location has the following specialties:

- Jeffery Tyczkowski - Manufacturing / construction
- Keith Depies - Pass-through / estate & trust
- Russell Ritschke - Professional, business & real estate
- Vicki Krueger - Individual tax work
- Kim Iley - Resident evaluation specialist & individual estates

Last year, Hawkins Ash CPAs worked in 42 different states. They have no issues working with remote clients to ensure accurate and timely responses. With today's world of college kids, snowbirds and multiple homes, Hawkins Ash can work with their clients wherever they are needed.

So, no matter your accounting needs, Hawkins Ash CPAs is available to help you understand the accounting and tax information you need.

RETURNING ACTS:

Elvis is the only act that's been at every Doty Island PorchFest. Elvis John has a solid following in this community and we enjoy hosting him each year.

ShirmpVision was in the pavilion last year, but due to popular demand, he's got his very own porch this year.

NEW ACTS:

For the first time, we have an area focused on the kids. Music with Mr. Crowe is a 5-piece band that was featured at the Future Neenah Out to Lunch Concert Series earlier this summer. Their music focuses on fun, kid-friendly dance music. In addition to the band, there will be a face painter and balloon animals. Chris Evenson, from Menasha, is a solo guitarist. He has been involved in many Jefferson Park Porchpaloozas. We welcome him to our lineup. This year we are also going to try something new: Open Mic at the Pavilion. Sidehustle Productions will be hosting. If

you are interested in signing up, please email us at dotyisland.net so we can send you the signup information when it becomes available.

Allison Mahal is performing at this year's festivities! Allison is an NPR, Consequence of Sound and American Songwriter-featured folk/rock artist currently based in Milwaukee. She is releasing her debut album in May through [Tone Tree Music](#). She travels with a full band but for this event, she will feature an acoustic trio.

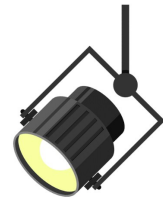

Luma Knotty was awarded the 2019 WAMI (Wisconsin Area Music Industry) Award in the world/reggae/ska/latin category. Hailing from Green Bay, their stories tell of loss, love and awakening. Their new full-length album, "Bring the Light" was released in January 2023.

Resident Spot Light—Meet Sandi & Mike Jensen

Sandi and Mike Jensen moved to Doty Island from the Madison area almost two years ago. Their motive in choosing this area was to be closer to their daughters, Morgan Elysabeth and Daena Kathryn, both living in Oshkosh. They got more than they expected when they settled into their home on Willow Lane with their three pups Luci, Rayne and Sox. They love the area for many reasons and think this community feels like home to them. They

especially enjoy their neighbors, being near the water, the sense of calm it provides, walks around the neighborhood which provide the opportunity to appreciate the beauty of Doty Island and meet new friends, and dining out at the local restaurants in Neenah and Menasha.

Sandi currently has a vignette in Twisted Sisters in Beaver Dam and was looking for an additional opportunity to open her own shop. After initially looking at the Lake Geneva area she decided to locate in downtown Menasha because of her love for this area and the sense of community. She is excited to be there and believes it is a good time to invest in the downtown, and anticipates its growth will continue. Elysa Kate + Co, named after her daughters, is set to open July 19th in the former Wild Apple location at 210 Main Street. The grand opening event will include a coupon for \$10 off a purchase of \$50, refreshments, and drawings for door prizes.

Elysa Kate + Co will offer unique home furnishings and clothing for environmentally and fiscally conscious residents in the area. While Sandi is the owner of the shop, her husband Mike is an integral part of the business being the master craftsman. Mike refurbishes and refinishes all the furniture, something he did full time in Madison and continues to do in his free time here. Guests visiting Elysa Kate + Co will have the opportunity to select pieces Mike has refinished or commission work on their own piece. In addition to furniture and home décor, Elysa Kate + Co will also carry clothing, gift items, and original artwork from local artists. Sandi has some great monthly events planned at the new shop including First Thursday events each month, Evening with the Artist, classes on varied topics, and open houses.

Be sure to visit Elysa Kate + Co for their grand opening! Sandi will be open weekly Wednesday through Sunday, and is anxiously waiting for the chance to serve you!

Lowering the Crime Rates of Doty Island

As a kid, maybe you grew up leaving your doors unlocked or leaving your toys in the front yard. Unfortunately, today leaving your personal items outside has a good chance of the item being stolen or damaged.

DIDC recently obtained the 2022 AGS Crime Index for Doty Island from the Neenah Community Development Department. A Crime Index is an estimation of the overall level of crime in a specific area. The results are categorized as the following: <20 (very low), 20 to 40 (low), 40 to 60 (moderate), 60 to 80 (high), and >80(very high). Doty Island's Total Crime Index Number for 2022 was 77.

We sat down with Community Officers for Neenah and Menasha to find out what our most common crimes are on Doty Island and how we can help reduce the crime rate.

Most Common Crime

Theft of Property - Theft from vehicles is the most common occurrence. Several city blocks are hit at a time. The perpetrators look for unlocked vehicles from which they steal change, cash, and

other property inside.

Property Crime - According to Officer Dan Hoerneke, the Community Liaison Officer for Menasha, the reason the number of damage or graffiti complaints are higher is largely due to Smith Park. It is one of the largest parks in the City so unfortunately, we have people vandalizing the pavilion and bathrooms. According to Officer Joe Benoit, the Community Policing Officer for Neenah, most of the property crime is vandalism at Cook Park and the Trestle where people often mark up public areas.

What You Can Do

The 9pm Routine - These tasks are simple and easily prevent crime.

Menasha Community Camera Program - If you are a Menasha resident and have a Ring Doorbell or other home security system, add your contact information to the confidential database. By registering, you would be contacted by members of the Menasha Police Department only if there is a criminal incident within the vicinity of your surveillance

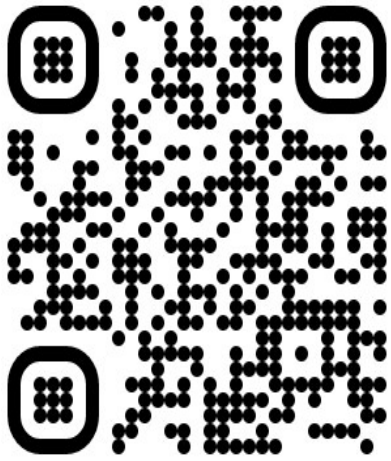

system. Residents retain complete control of their system. Registration Form: <https://form.jotform.com/222068154719054>

Neenah does not have this program yet, but if you are interested, call Paige Kowalski, the Crime Analyst for the City of Neenah. 920-886-6000 or email police@neenahwi.gov

Reduce the Opportunity for Crime - Officer Benoit suggested a few environmental ideas to significantly reduce the opportunity for criminals to act. Make your property less appealing to a criminal by adding motion lights. eliminating overgrowth, trim the bushes down, trim the trees up (from ground 3 feet), therefore reducing the amount of areas that a trespasser can "hide".

#9PM Routine

- ⚠️ Remove valuables from vehicles
- ⚠️ Lock vehicle doors
- ⚠️ Close the garage door
- ⚠️ Close, lock all exterior doors
- ⚠️ Turn on exterior light

<https://www.ci.neenah.wi.us/150-year-celebration/>

Since March 13, 1873, we've celebrated the City of Neenah as an incorporated community. Quick Recaps!

Doty Island Clean Up!

Even though it had been raining since 4am, over 100 volunteers showed up with umbrellas and rain jackets to beautify our community. We cleaned from Riverside Park in Neenah to the Trestle Trail and downtown Menasha. The Doty Island board members removed overgrown brush from their building. Thank you to everyone that participated!

Rummage Sales June 10

This year Doty Island has a fantastic turnout. We hosted 67 rummage sales. Advertising in Neenah News and various websites resulted in the Google Map receiving over 3,600 clicks the days leading up to the sale. Next year we will continue to offer our registration services for free. We hope your sales were successful despite the rain!

Doty Island Planters

Our Planters are full and beautiful again this year. Thank you to all those who came out to help plant this spring.

Our Planters are full and beautiful again this year. Thank you to all those who came out to help plant this spring.

DIDC Name Change Proposal

Here at Doty Island Development Council we are looking at the future and have been toying with the idea of a brand refresh. We don't feel like our name, Doty Island Development Council, really exemplifies who we are or what we do in the community. Some ideas we have had are: Doty Island Neighbors, Inc, Doty Island Council, Doty Island Community Council...Do you have any ideas for new names that fit us a bit better? Any feedback on a possible change? Please email us at stephaniec@dotyisland.net

Butter braid Sale—Thank you!

Thank you to everyone that supported the Doty Island Butterbraid sale held in April. We sold a total of 217 butter braids and earned a profit of \$1432. These funds directly help us provide awesome events for our community.
